Obon

Each July we gather together as a temple and observe Obon. The summer season is synonymous with Obon and the many traditions, legends and events associated with it. The season of Obon is associated with a visit to the gravesite of family members. Families will gather and clean the gravesite and offer fresh flowers and burn incense at the gravesite. For many of our family members this means traveling back to their hometowns. The experience of returning home has both emotional and religious significance.

Returning home comes with memories and opportunities to reacquaint ourselves with family and friends. Arriving home, we see familiar landmarks, restaurants, schools and neighborhoods, it can bring back childhood memories and even a longing for bygone days. Upon returning home we cannot help but to reflect upon our deceased family members. Returning home can be emotional as the memories flood back into our hearts and minds. Returning home can also be peaceful, comforting and relaxing.

The tradition of returning home at Obon time is significant. It has been often likened to returning to the home of homes with Amida Buddha. Amida embraces us as we return to our homes, and accepts us just as we are. Faith in Amida's great compassion and wisdom comes with a sense of peace, comfort and relaxation. What that means for us is to return to our original nature, our true and real selves. The true and real self is the self that is able to see life as it truly is. This means embracing the truths of impermanence and interdependency.

The season of Obon, is a time to remember our loved ones who have returned to the Pure Land. As we reflect upon their lives and remember their influence on our lives, we express our deep gratitude to them with visits to the gravesite, making offerings of flowers and incense and putting our hands together in Gassho and reciting the name of Amida, Namoamidabutsu.

Gassho,
Rev. Hosei Shinseki

The Watsonville Buddhist Temple wishes to extend our condolences to the Shingai and Kaita Families for the loss of Barbara Shingai

President's Message

Dear Fellow Members

On Saturday, May 25th, our friend Barbara Shingai peacefully left us.

Barbara was a valuable leader of our temple and a ground breaker as the first woman Temple President. She was the “go to” person if you had any question of issues around the temple. She kept track of all our activities and made sure we all remained focused on the task at hand.

Barbara was active in the temple for most of her life. She was a Dharma School student and teacher, Jr. YBA member and officer, and Board member, and officer. Barbara only left the area to attend college at Fresno State University, but returned and married Bob Shingai. Their two children Stephanie and Matt were able to be raised in the same community she was.

Barbara was kind, compassionate, respectful, and dedicated. She also had knowledge of the traditions and history of the temple. These attributes made her the perfect representative of our temple to guests and sangha members alike. It also made her invaluable at her job as Temple Office Administrator. It will take many individuals to do the job she did herself.

Barbara's passing will leave a void in our lives. Let us remember, Barbara would not want us to mourn, but to celebrate her life.

Arigato Barbara for your many years of friendship and service to our temple.

With gassho,

Kenny Kusumoto

Tribute to our Dharma Friend

“The light of your face is unsurpassed in majesty, your awesome greatness is beyond limit, a brightly shining flame with no equal.”

All the Sangha members of the Watsonville Buddhist Temple have lost a dear friend in Barbara Shingai. Words cannot express the loss that we feel. Anyone who grew up in Watsonville and attended the temple has come into contact with Barbara. She was in no small measure the heartbeat of our temple. The above quote comes from the Larger Sutra and is Dharmakara praising the Buddha Lokeshvararaja. Dharmakara is expressing his/her desire to attain Buddhahood. For all her life Barbara heard and chanted along with all of us the Sanbutsuge and the Juseige which come from the Larger Sutra. There are times in my life when I cannot find the words to express my condolences to the Sangha. I feel that part of my job as a minister is to encourage and help us all understand the loss that we all feel. Whenever we lose someone that we love, someone that means so much to us, we need/want stability in our lives. Dharmakara wanted that as well and found that the way is through the Dharma and Buddhahood.

I want to convince you all to have or develop this same desire for Buddhahood that Dharmakara experienced. How do I do that? I don't have the power like the Buddha so I need help. At this moment no one does that better than Barbara. She was a true defender of the Dharma, working so hard to make certain that everyone would be able to continue to hear the Dharma.

We all have memories and experiences with Barbara, whether it was working on a temple project with her, sharing a meal with her, or traveling with her. Each of those memories and experiences are special and unique to you and your relationship with her. Time will change things, but time will not erase the cherished memories you each have with Barbara. Therein you will find the stability and peace of mind that we seek.

The Nembutsu, namoamidabutsu, represents the stability and peace of mind that the Truth of life offers as great compassion. We have all suffered a great loss of someone we loved so much. And we all miss her and wish we could be together again, these emotions we share with everyone who came into contact with Barbara.

Small actions, thoughts and words and the memories and experiences we all shared with her make her come alive in our hearts and minds, even when we are not aware of it. At that moment we can experience warm memories and feelings as they come alive. At that moment we are showered in the embrace of Barbara whom we love so much. This is the manifestation of the Buddha's Vow. The embrace of our dear Barbara is constantly moving within each of us.

Thank you Bob, Stephanie and Matthew for sharing Barbara with all of us. Thank you Barbara for your strength, wisdom and compassion.

Namoamidabutsu,

Rev. Hosei Jay Shinseki

*Thank You ~ Barbara
(In Loving Memory of Barbara Shingai)*

*When our Temple was faced with uncertainties,
Barbara graciously offered her expertise.
She was the Shining Link that held us together.
We will forever be grateful for her endeavor.*

*Taking care of business ~ plugging all the leaks,
Her strong leadership was awesome and unique.
Barbara's day started from the crack of dawn,
Time after time ~ above and beyond.*

*During the Covid we shed many tears,
But her kindness eliminated many of our fears.
She made sure we prevailed when life looked bleak,
Guiding us through the valleys and peaks.*

*I can't forget the image of Barbara at her desk.
Did she ever take time for lunch? We can only guess.
Her door was always open ~ as was her smile,
Inviting us to come in and chat for awhile.*

*To keep the Chain of Love ~ strong and bright,
We will dance for Barbara on our annual Obon night.
If by chance she spots us from the cool Summer sky,
I will joyously shout-out a spirited "Hi."*

*Barbara was a staunch and avid football fan,
So ~ "Go ~ 49ers ~ on your first homestand!"
I'm sure her Super Bowl trips to Vegas and Miami,
Were exciting and fun with a double whammy.*

*In reality ~ we will never be far apart,
Because Barbara will always remain in our heart.
The love that surrounds her is firmly set in stone,
Safe and sound in her home sweet home.*

June 4, 2024 Board Meeting Highlights

Before the meeting President Kenny Kusumoto addressed the loss of a very special and important icon to our temple, Barbara Shingai. The loss was very difficult for all of us, as she was part of our Temple family. Barbara would want us to continue with our activities and work together to ensure the Temple and Sangha is properly served.

Susan Ikegami, Joann Kato, Ryoko Kozuki, Kim Yoshida, and Sheryl Wobber have volunteered to take on some of the Temple office duties on a temporary basis. We are stilling looking for volunteers to take on other office responsibilities.

Rev. Shinseki announced that he is retiring at the end of July 2024. Rev. Mukojima, resident minister of Mt. View Temple, will be the supervising minister for the Monterey, Salinas, and Watsonville Temples.

The AV system in the Hondo and gym are now upgraded.

Exterior fence is almost complete. The gates need to be installed to complete the project.

The front and back parking lot asphaltting has been approved and set to begin some time in August. It should be a 4 day project.

The board decided to cancel the rummage sale for this year. Many of our members have taken on extra duties at the temple and with the number of summer activities it would be better to cancel.

The Board approved a request to use the lawn area for parking for Mrs. Yoshida's service since parking is limited around the temple. They will have volunteers guiding the cars into parking spots. There will also be a letter sent to the residents of the apartments to inform them of the service and parking situation. If this is successful we will be able to utilize the parking plan for other services and events.

The temple website has been set up and a committee was formed with Sensei, Perry Yoshida, Patrick Casey, Tad Kato, Joann Kato, and Sheryl Wobber. Currently, the event days and newsletter pages are active.
